# How we started the Statbank

Annegrete Wulff
awu@dst.dk

External users' retrievals of tables form Statbank.dk

DANMARKS STATISTIK

The first steps

- Important users hearing
- Defining the tables to be the first
- 3 people trained 1 week
- Setting up the system
- 1986 Launching with 30 tables

- 2001 Free of charge

3

... and the next

- After 3 months 100 tables
- Today 2014:
  - 4,000 tables
- Archive
  - 1,500 discontinued tables (but still accessible)

DANMARKS STATISTIK

Getting started

- Start with a "pilot"
- Road map (mile stones)
- All subjects covered or few in depth?
- Most popular tables?
- Most updated? (monthly)
- Set a goal: Launch with 25-35 tables
- User meetings
- Evaluate
