**WORK IN PROGRESS ON  
SPORT AND CULTURAL STATISTICS**

Revital Cohen  
September 2014

**Book publishers**

- The need for data comes from the field
- We have administrative files, but in order to use the files, we have to improve them
- The data will be added to the published data on books

**Media**

- Broadcasting
- Newspapers and periodicals

MUSIC: ACUM

- Collection and distribution of royalties

Indicator on violence in Sport

- We started to collect data for an indicator on violence in sport
- It will include data from five branches: basketball, volleyball, water polo, soccer and handball
