	Donkeys		
	Mules		

Do you deal with fishery and fish-breeding in your holding (organization)?

yes

no

VII. Available agricultural machinery

		Number	Of which in working order
Tractors, of which			
caterpillar	Up to 20 horse-power		
	21 -55 horse-power		
	56-90 horse-power		
	91-125 horse-power		
	126 and over horse-power		
wheel	Up to 20 horse-power		
	21 -55 horse-power		
	56-90 horse-power		
	91-125 horse-power		
	126 and over horse-power		
Lorries			
Harvester-threshers			
Forage harvesters			
Mowers			
Milk processing equipment			
Other (specify)			

Did you use cattle for performing of agricultural work?

yes

no

VIII. Available agricultural structures

Agricultural structures for animals

For cattle (head)

Slaughters for pigs (head)

Slaughters for poultry (head)

Slaughters for sheep (head)

Other (specify) _____(head)

Agricultural structures for storage of agricultural product

Stores (tons)

Fridges (tons)

Agricultural structures for storing of agricultural machinery

Agricultural structures for storing of agricultural equipment

Agricultural structures for other purpose (specify) _____

IX. Labour force

More than 2/3 of work hours spent in agriculture falls to

Plant growing

Cattle breeding

	Members of holding by age and sex	Total	including	
			male	female
	Total			
	0-14
