

**Documentation of statistics for  
Childcare before school start 2017**

## **1 Introduction**

Under construction.

## **2 Statistical presentation**

Under construction.

### **2.1 Data description**

Under construction.

### **2.2 Classification system**

Under construction.

### **2.3 Sector coverage**

Under construction.

### **2.4 Statistical concepts and definitions**

Fuldtidsomregnede børn: Antallet af børn er udregnet som fuldtidsomregnet børn i daginstitutioner. Opgørelsen beregnes ud fra timer pr. uge, barnet har været indmeldt i løbet af året. Et barn som er i børnepasning på fuldtid - i et helt år - er ét fuldtidsomregnet barn. Et barn som kun er i børnepasning på halv tid eller på fuldtid i et halvt år er kun et halvt fuldtidsomregnet barn. Et barn indmeldt i 0-25 timer pr. uge (deltid) opgøres til et 0,5 fuldtidsækvivalent barn. Børn som er indmeldt med pladser på 26 til 35 timer om ugen opgøres til 0,75 fuldtidsækvivalenter, mens børn med en plads over 35 timer per uge opgøres til en fuldtidsækvivalent.

Fuldtidsomregnet pædagogisk personale: Ansatte med pædagogiske opgaver er udregnet som fuldtidsomregnet ansatte med pædagogiske opgaver i daginstitutioner. Opgørelsen beregnes ud fra årsværk, som personalet har været ansat i daginstitutionen i løbet af året. En pædagogisk ansat med pædagogiske opgaver i institutionen på fuldtid - et helt år - er et fuldtidsomregnet ansat med pædagogiske opgaver. En ansat med pædagogiske opgaver i institutionen, som kun er i børnepasning på halv tid eller på fuldtid i et halvt år er et halvt fuldtidsomregnet ansat med pædagogiske opgaver. Et årsværk svarer til 1924 timer på et år. Under det pædagogiske personale medtages dagplejer, pædagoger, pædagogmedhjælper og ledere i daginstitutioner. Udregningsmetoden følger arbejdsgruppens opgørelsesmetode for normeringsstatistik.

Normering i børnepasningsstatistikken: Er det gennemsnitlige antal børn pr. voksne ansatte med pædagogiske opgaver (inklusive ledere) i kommunerne.

### **2.5 Statistical unit**

Under construction.

## **2.6 Statistical population**

Childcare of children from 0 years until school start, in municipal and self-employed institutions

## **2.7 Reference area**

Denmark.

## **2.8 Time coverage**

These statistics cover the time period from 2015 and onwards.

## **2.9 Base period**

Under construction.

## **2.10 Unit of measure**

Under construction.

## **2.11 Reference period**

Under construction.

## **2.12 Frequency of dissemination**

Yearly.

## **2.13 Legal acts and other agreements**

Under construction.

## **2.14 Cost and burden**

Under construction.

## **2.15 Comment**

Under construction.

## **3 Statistical processing**

Under construction.

### **3.1 Source data**

Under construction.

### **3.2 Frequency of data collection**

Yearly.

### **3.3 Data collection**

Under construction.

### **3.4 Data validation**

Under construction.

### **3.5 Data compilation**

Under construction.

### **3.6 Adjustment**

Under construction.

## **4 Relevance**

Under construction.

### **4.1 User Needs**

Under construction.

### **4.2 User Satisfaction**

Under construction.

### **4.3 Data completeness rate**

Under construction.

## **5 Accuracy and reliability**

Under construction.

### **5.1 Overall accuracy**

Under construction.

### **5.2 Sampling error**

Under construction.

### **5.3 Non-sampling error**

Under construction.

### **5.4 Quality management**

Statistics Denmark follows the recommendations on organisation and management of quality given in the Code of Practice for European Statistics (CoP) and the implementation guidelines given in the Quality Assurance Framework of the European Statistical System (QAF). A Working Group on Quality and a central quality assurance function have been established to continuously carry through control of products and processes.

### **5.5 Quality assurance**

Statistics Denmark follows the principles in the Code of Practice for European Statistics (CoP) and uses the Quality Assurance Framework of the European Statistical System (QAF) for the implementation of the principles. This involves continuous decentralized and central control of products and processes based on documentation following international standards. The central quality assurance function reports to the Working Group on Quality. Reports include suggestions for improvement that are assessed, decided and subsequently implemented.

### **5.6 Quality assessment**

Under construction.

### **5.7 Data revision - policy**

Statistics Denmark revises published figures in accordance with the [Revision Policy for Statistics Denmark](#). The common procedures and principles of the Revision Policy are for some statistics supplemented by a specific revision practice.

### **5.8 Data revision practice**

Not relevant for these statistics.

## **6 Timeliness and punctuality**

These statistics are published approx. six months after the end of the reference year. These statistics are published without delay, with reference to the announced time of publication in the release calendar.

## **6.1 Timeliness and time lag - final results**

These statistics are published approx. six months after the end of the reference year.

## **6.2 Punctuality**

These statistics are published without delay, with reference to the announced time of publication in the release calendar.

## **7 Comparability**

Under construction.

### **7.1 Comparability - geographical**

Statistics on childcare are compiled in other countries. However, the statistics are not subject to common international guidelines, which means that national methods may vary from country to country.

### **7.2 Comparability over time**

Under construction.

### **7.3 Coherence - cross domain**

Under construction.

### **7.4 Coherence - internal**

Both children and staff can appear in several registers in the course of a year. Statistics Denmark's overlap validation, ensures that neither a child nor staff is occurs two places at the same time.

## **8 Accessibility and clarity**

These statistics are published in the StatBank under [Childcare](#).

### **8.1 Release calendar**

The publication date appears in the release calendar. The date is confirmed in the weeks before.

### **8.2 Release calendar access**

The Release Calendar can be accessed on our English website: [Release Calendar](#).

### **8.3 User access**

Statistics are always published at 8:00 a.m. at the day announced in the release calendar. No one outside of Statistics Denmark can access the statistics before they are published.

### **8.4 News release**

Not relevant for these statistics.

### **8.5 Publications**

Not relevant for these statistics.

### **8.6 On-line database**

The statistics are published in the StatBank in the following tables:

- [BOERN1](#): Staff by job category and education by region, job title, education and time
- [BOERN2](#): Clients in day care og family day care by region, category of child care and time
- [BOERN3](#): Ratios in day care and family day care by region, category of child care and time
- [BOERN4](#): Institutions and units by region, type of care, type of ownership and time

### **8.7 Micro-data access**

Researchers and other analysts from authorized research institutions, can be granted access to the underlying micro-data by contacting [Research Services](#).

### **8.8 Other**

Not relevant for these statistics.

### **8.9 Confidentiality - policy**

[Data Confidentiality Policy](#) for Statistics Denmark is applied.

### **8.10 Confidentiality - data treatment**

Not relevant for these statistics.

### **8.11 Documentation on methodology**

Documentation on methodology is only available in Danish.

### **8.12 Quality documentation**

Results from the quality evaluation of products and selected processes are available in detail for each statistics and in summary reports for the Working Group on Quality.

## **9 Contact**

The administrative placement of these statistics is in the division of Population and Education. The person responsible is Bjarne Mann, tlf. 39 17 37 58, e-mail: bsm@dst.dk.

### **9.1 Contact organisation**

Statistics Denmark

### **9.2 Contact organisation unit**

Population and Education, Social Statistics

### **9.3 Contact name**

Bjarne Mann

### **9.4 Contact person function**

Responsible for the statistics

### **9.5 Contact mail address**

Sejrøgade 11, 2100 Copenhagen
