# Converting from survey interviewer to a regional interviewer

# Differences Between Surveys

	Duration of investigation	Length of questionnaire	Workload	Survey period	PC / laptop
<b>Labour Force</b>	Two weeks	15 minutes	10 per week	Two weeks (inflexible)	PC
<b>Household Expenditure</b>	Three weeks	Vary by stage of interviewing	12 per month	Minimum 6 visits in the field over 15 days	paper
<b>Social</b>	quarterly	45 minutes	30 per month	-	PC
<b>Longitudinal</b>	One month	1 hour +	25 per month	One month (inflexible)	PC

# Differences in the Work Processes for Each Survey

---

- ❖ Supervisors work by survey, and not in several surveys (exceptions: Jerusalem)
- ❖ Interviewers work by survey, and not in several surveys (exceptions: interviewer in Eilat)
- ❖ Different Computerized system(management and questionnaire software) for each survey
