200+	products	DKK	32,719.00	DKK	40,898.75

Prices are given per delivery, regardless of the delivery rate. This means that you can choose to have the figures supplied monthly, quarterly or just once a year for the abovementioned price. The lists are compiled monthly.

Please note that trading with EU countries is published one month later than trade with countries outside the EU. In practice, this means that a subscription with countries in both groups is delivered in two stages. Price wise, however, it is considered as one delivery.
