

Warnings in IDEP.web – Prodcom (Manufacturers’ Sales of Goods)

July 2020

When you report to Prodcom via IDEP.web, your declaration will be validated during the reporting process. This gives you a chance to correct possible errors before you send the declaration to Statistics Denmark.

This guide describes how you can see and correct **warnings** in Prodcom declarations. For more information on reporting via IDEP.web and error correction see the guides at www.dst.dk/vsidep-en

Approve

After you have uploaded a file or finished entering lines in IDEP.web, click on **Approve**.

Integrated reporting > PSI Returns > Return Overview

Select one or more entries in the list and choose an action from the Actions menu. To edit return line, click on the number of the line you wish to edit.

Modify Return Overview 000014 Statistics: Prodcom, Statistical Period: 2019-4 Declaration is in whole Danish kroner.

Journal number: [input] [Delete all lines and upload again]

Select	Item Number	CN8 Goods Code	Units	Amount in whole DKK	Correct	Last Upd.

Send declaration

When you click on **Approve**, a summary of your declaration will be shown.

If you wish to correct the summary, click on **Prodcum declaration summary**.

You may enter a comment to the declaration in the **Comments** field. For example, if the totals differ from earlier periods due to extraordinary progress / decline, change in prices etc. Similarly, structural changes in the company that are decisive for reporting can be entered here.

If you are satisfied with the summary, click on **Yes, send declaration**. If not, click on **No, return to declaration list**.

Receipt

The declaration receipt will be sent to the e-mail address connected to your digital employee certificate.

Approve 002535 Declaration is in whole Danish kroner.
